

9. How will my school ensure that parents and children with additional needs are fully included in all school activities?

The school will try to make sure that children with additional needs and their families are able to take part fully in school trips, performances and social events.

- We will make reasonable adjustments to the environment, curriculum and resources to ensure inclusion.
- School will ensure equal opportunities for all children.
- Risk Assessment are carried out to include all children.
- We will ensure SEND children can take part in appropriate clubs after school.
- Parents may be asked to by class teachers to accompany their children on trips or social events.
- Where possible we will ensure additional staff are available for trips, after school clubs, swimming.
- When planning for trips, performances or social events that the needs of individual pupils are catered for, we will ensure pre-tutoring is done before and Photographs, booklets, symbols are used to support pupils prior to an event.
